Reasons for allowance

1. This communication is in response to applicant's 03/20/2006 Amendment in the application of McFarland et al. for a "Scalable communication system using overlaid signals and multi-carrier frequency communication" filed 06/30/2003. This application is a continuation of 09/474,602 is now US Patent# 6,628,673. The amendment has been entered and made of record. Applicant's response with regard to the rejection are persuasive. The terminal disclaimer filed on 03/20/2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,628,673 filed 12/29/1999 and issued 09/30/2003 has been reviewed and is accepted. The terminal disclaimer has been recorded.

2. Claims 32-81 (Claims are renumbered as 1-50 respectively) are allowable as evident by applicant's amendment.

3. The following is an examiner's statement of reasons for allowance: The instant application is deemed to be directed to a nonobvious improvement over the invention patented in closest prior arts of record. The improvement comprises: a plurality of nodes, each for transmitting simultaneously with other nodes a signal unique to that signal's node and representative of at least one non-overlapping sub-channel conveying information derived from a data stream, each at least one information-conveying non-overlapping sub-channel for each node being different from each information-conveying non-overlapping sub-channel for all other

nodes; and a base station for simultaneously receiving the signals transmitted from each node and processing them to generate, for each information-conveying sub-channel, a signal representative of the information conveyed thereby; wherein at least one of the nodes is for transmitting its signal using multiple sub-channels simultaneously, and in each node, data streams corresponding to sub-channels used in other nodes are set to zero magnitude, as specifically recited in the claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
